
When winners go big, you can too.

As a company with a contractual liability to award a winning prize or contract bonus, a reward that would make a significant dent in your budget you need iTOO's Prize Indemnity Insurance.

This specialised insurance means you can dangle a carrot in any shape, form or colour, whilst still keeping the rest of your business growing.

If the numbers align, the ball goes in or the odds actually win, you need Prize Indemnity that's expertly gift-wrapped.

Why get your Prize Indemnity covered by iTOO?

Leading service and **forward-thinking expertise** that's always first prize.

If you're a brand, company, sponsor or retailer offering promotions, competition prizes, contractual/performance bonuses to sports professionals or teams, then iTOO's Prize Indemnity Insurance cover is exactly the win you need.

Whether it's a competition based on skill or pure probability, make sure the odds are always in your favour with a cover by the market leaders.

Prize Indemnity Insurance cover includes:

- Hole-in-one
- Pick an envelope competitions
- Online promotions or sports predictors
- Promotions linked to sporting achievement
- Contractual bonuses for athletes and teams
- Sports half time challenge promotions

WE ARE DIFFERENT.

At iTOO our industry knowledge and service professionalism gives us the edge over our competition.

Not only is this specialised cover designed to include a range of competitions, but we can also underwrite any promotion linked to a specific result, driving sales whilst protecting your income should the targeted result materialise.
